VOL. LXXXV. NUMBER 37

Trustees Order Oil Pollution Crackdown

A crackdown was ordered Monday night by the Antioch Village Board on industries dumping oil in the sanitary sewer.

Plants in the Antioch Industrial Park were to be notified by letter by City Clerk Marilyn Ster-

benz at the request of the trustees to cease and desist dumping oil into the sewer.

The trustees took the action at the suggestion of Charles Maplethorpe, public works superintendent, who said that manholes

have been loaded with oil in the Antioch Industrial Park.

"I don't know which industry is responsible for dumping oil in the sewer line," said Maplethorpe. "I believe this kind of pollution should stop immediately."

Maplethorpe said that a thin coat of oil has been noted at the Sanitary District, but after it had gone through treatment.

"We did not know the origin then," said Maplethorpe. He said it was unfortunate that

a manhole was not located in front of each plant which would have made it easier to detect the firm responsible for the pollution of the sanitary sewer.

"This infiltration of oil into the sewer line must come to an end," said a trustee. "We ought to start getting tough on the violators."

Another trustee pointed out it is interesting what can be found in an inspection of homes to see what is connected to the sanitary sewers.

"I believe this accounts for a part of our problem at the sanitary plant," he said. "A check should be made to see if our water and sewer ordinance carries any kind of penalty for violators."

A meeting is scheduled for March 11 with the village's bonding company in connection with financing an addition to the sanitary plant.

The trustees also authorized Maplethorpe to attend a three day conference, beginning April 20 in Springfield of the Illinois Sewage Water Works Operators. He was allowed \$100 for expenses.

Maplethorpe also announced that work will begin next Monday on the completion of the lights at the traffic standard located on Main and Lake Streets.

He said that all of the parts have arrived and the electrical firm awarded the contract was ready to begin Monday.

The lights for several months have been operating on "flashing signals" until the arrival of the required parts.

The Antioch Lions Club honored its past presidents at a recent meeting. Shown left to right in the front row are William Brook, Dr. James Kopriva, Ted Larson, Robert Wilton, Albert Dittman, Irving Carey and Tom

Haviland. Back row left to right are Ward Lear, James Fields, Maynard Schneider, James Olson, Dr. Albert Bucar, John B. Fields, Dan Dugenske and Wm. Seemann.

Village Seeks \$20,000 To Lift A&P Restriction

A \$20,000 proposal has been submitted to the A&P to lift the restriction on a 99-year lease to allow the chain store to expand its A-Mart Store in the Antioch Shopping Plaza.

"I don't think it will be accept-

able to A&P," a representative told Mayor Raymond Toft.

"We will have to wait for the chain store's counter offer," the mayor said at Monday night's meeting.

The A&P wants to add another 10,000 square feet on the east side of its present building in the shopping plaza.

The space where the food chain wants to build the addition is restricted to parking under the long agreement.

In return for lifting the ban, the food chain would pay for the appraisals of property the village wants to acquire for additional parking lots in the downtown area.

The property includes the four houses on the south side of Orchard Street, the old roller rink, a lot owned by Dr. Al Bucar and

the Chinese restaurant.

Estimated cost of the appraisal is around \$3,500.

The food chain in addition to paying for the appraisals agreed to payment equivalent to the same amount of space being eliminated for parking or about 4,500 square feet estimated at \$2.

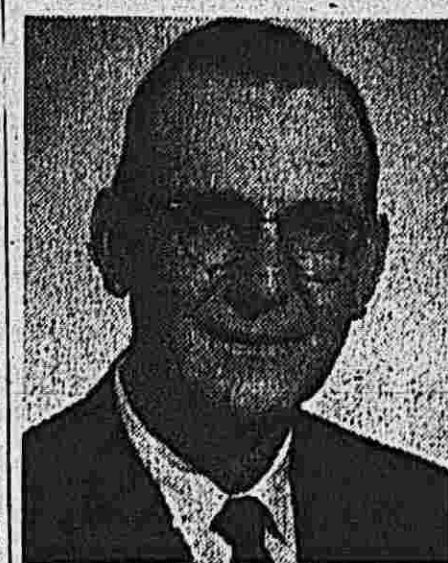

Mayor Toft appointed a committee comprised of Trustees Richard Radke, George Bartlett and Robert Wilton to study the appraisals when they are completed.

The committee was instructed to contact the owners to obtain the price the owners are seeking so that an agreement could be reached without going through condemnation proceedings.

Pick Vose As Dairy Director

Avery A. Vose, dairy farmer, of Route 2, Antioch was elected to the board of directors of the National Dairy Council at the Council's 58th annual meeting in Houston, Tex.

Born on a farm at Russell, Vose

Avery A. Vose

has been farming in the Antioch area for 27 years and also has engaged in marketing and dairy plant operations with the Pure Milk Association and the Kraft Foods Company. He is currently Treasurer of Associated Dairy Producers, Inc., and also serves as President of Associated Dairy-

men, Inc. Other offices held by Mr. Vose include that of Treasurer of the Central Milk Sales Agency and Central Milk Producers Cooperative and service as a member of the Board of Directors of the National Dairy Show.

President of the Federated Dairies Cooperative from 1959 to 1970, and Chairman of the Board of National Dairy Council in 1966-67, Mr. Vose attended Warren Township high school and the University of Illinois.

As Regional director-at-large of National Dairy Council, Mr. Vose will help guide the Council's program of nutrition research, nutrition education, and public relations for the dairy industry. NDC operates from a Chicago headquarters and a nationwide network of affiliated Dairy Council unit offices serving major markets.

Deadline Mar. 8 on Township Registration

Lloyd Murrie, Antioch Township Supervisor wishes to remind voters the final date for registration to be eligible to vote in the coming township election is March 8.

To be eligible an individual must be a resident of the state for one year, the county for 90 days and the township 30 days.

CLC Awards \$102,374 During Fall Semester

Recognizing that education is the key that can open the door to opportunity, the College of Lake County is committed to the view that no student should be denied an opportunity to attend the college because of limited financial resources.

"Admitting a student to the college is not enough to insure that all who have the desire and ability for a college education will get it. Even with the relatively low tuition and nominal fees charged by the college, finances can and often do pose a problem for many students," stated Tom Darrah, CLC Director of Financial Aids.

According to Darrah, awards were made for Fall, 1970, totaling \$102,374 to nearly 600 students en-

rolled in a wide variety of programs. Included in the 678 awards are 295 qualified veterans whose tuition and fees are covered under the Illinois Veteran's Scholarship Program; 20 nursing students eligible for federal loans or grants; 65 recipients of Illinois State Scholarships; 38 student employees under the work-study program; 17 students aided by the Law Enforcement Education Program; and 107 persons receiving grants or loans under the Educational Opportunity Grant or National Defense Student Loan programs.

Approximately 92 per cent of all financial assistance came from federal and state sources, federal programs accounting for 202 awards totaling \$58,684, and

state programs providing 422 awards covering \$55,890. The remaining 8 per cent was provided in about equal amounts by the college and by local organizations such as industries, foundations and service clubs.

Darrah concluded, "Financial assistance to our students is not a 'give-away' program. Each scholarship, loan, grant or employment award is based upon a careful examination of the student's and parent's ability to share the cost of attending the College of Lake County. Our prime concern is to seek ways to help students remove or alleviate financial barriers so that they can pursue or continue their college education."

Chamber Lists '71 Committees

The Antioch Chamber of Commerce today announced its committees for 1971.

They are:
Publicity Relations — Tobie Tobleski,

Publicity Chairman; Ron Polson,

Retail Sales — Stan Toton, Chairman; Bob Calloway, Dick Erickson, George Hahn, Lillian Hunter, Edna Radke, Dave Williams

Membership and Dues — Pres Reckers, chairman; Joe Beemersterboer, Dr. Bucar, Gino Pichelli, Jim Yamamura, George Hall

Christmas — Dick Ford, Chairman; Bruce Jablonski, Rick Koenig, Bill Mendrala, Al Schroeder, Carl Seemann, Earl Stringer.

Membership Meetings — Social, — John Romer, Chairman; Jim Dayton, Owen Duffy

Installation Dinner - Dance — Jim Dayton, Chairman; Pete Claven, Ron Smith, Dr. Sven

Community Pride and Beautification — Lew Simon and Bob Wilton, Co-chairman; Gordon Cornelius, Millie Gaston, Ray Scarpelli, Al Schroeder, Ray Toft

Budget and Finance — Jack

(Continued on page two)

St. Peter School Plans Open House

A recently published book, "Crisis in the Classroom," by Charles Silberman states that "Students need to learn far more than the basic skills. Education should prepare people not just to earn a living but to give a life—a creative, humane and sensitive life."

The faculty and students at St. Peter's invite all Antioch residents to observe the efforts being made at their school to implement these goals and many others recommended by noted educators today.

With these goals in mind, St. Peter School will conduct an open

house on Sunday, March 7. Several special interest projects will be presented in addition to the regular classroom format.

These projects will include a performance by the first grade rhythm band and a science lecture on the effects of smoking to be given by representatives from the Hinsdale Sanitarium to students in the 4-5 team unit.

Various art projects will be displayed throughout the building.

The school will be open from 1:00 to 3:00 p.m. and all visitors are encouraged to circulate through the school at their pleasure.

PM&L Changes Season Lineup

PM&L, Inc., Antioch's community theatre organization has changed the schedule of Season Ten because of director Joe Hunley's change of position and unavailability of free evening hours. Instead of "The Miracle Worker," the Pulitzer prize winner and celebrated comedy, "You Can't Take It With You," will be presented as the third play of the season on April 17, 23, 24, 30 and May 1.

Tryouts for this popular and successful play will be held at the PM&L Theatre, 877 Main St.,

Antioch at 7:30 p.m. Thursday, March 4.

Director Don Beveroth announces that there are parts for seven women and 12 men.

No previous experience is needed—just the desire to work hard and have a most rewarding experience with a community theatre project.

An active production crew is also needed. If anyone is interested in either acting or technical work and can't make it to the tryouts, please call 395-9702 to express your interest.

Antioch Bows In Regional

Antioch was eliminated from further competition in the annual Illinois Basketball Regional Tournament when it lost at the hands of a Wheeling five.

The Sequoits in trying to gain a bid in the Regional semi-finals Thursday night against Wheeling, lost 53 to 78.

Scoring honors went to Bolton with 23 followed by Martin with 11.

Though defeated Tuesday night, the Antioch team capped its season by winning the District Championship by defeating Grant, thus ending a two year jinx of being a bridesmaid in the tournament.

A story on the District Championship is on the sports page.

Order Specs On Village Water Well

Trustees authorized the village engineer to prepare plans and specifications to allow bidding for digging a new well on the site of property near the new Upper Grade School.

"I think we should get specifications prepared," said Village Mayor Raymond Toft, "and have it ready in case it becomes necessary."

The mayor said he didn't think a water tower should be constructed at this time.

A satisfactory test has been received on the site.

Emmons Will Hold Science Fair Friday

Emmons Grade School will hold its First Annual Science Fair Friday, March 5, from 6:30 to 9 p.m.

Approximately 50 projects in the fields of biology, earth science, astronomy, and physics, will be on display.

The projects have been submitted by members of the 6th, 7th, and 8th grades as part of their science work.

The public is invited.

Emmons Has Free Lunch Program

Free or reduced priced lunches have been offered to children whose parents cannot afford to pay the full price of a lunch at Emmons Grade School.

The program is in cooperation with the U. S. Department of Agriculture and the Department of School Food Services which sponsor the federal and state food services program.

Determinations are made on the basis of family income level and national guidelines used by participating schools.

Applications are available for the free or reduced lunch program.

The applications will be reviewed by John J. Kakacek, school superintendent.

by Nancy Halverson and George Pierce.

Ensembles winning 1st Place ratings were: Clarinet Duet with Linda Kasik and Sandra Herbert; B-flat Clarinet Quartet with Lori Haviland, Candy Bailey, Cheryl Stadick, and Karen Pahlke.

French Horn Quartet with James Pierce, Susan Rathmann, Mark Stewart, and Mike Harland.

Mixed Clarinet Quartet with Tammy Ester, Sandra Stadick, Mary Ellen Krieger, and Elizabeth Boyd. Mixed Clarinet Quartet with Susan Irmen, Cheryl Porter, Judy Bjork, and Sandra Frad.

Woodwind Quartet with Linda Kasik, Sandra Herbert, Denise Roberts, Debra Pedersen, Patti Thamerus, and Susan Rathmann.

Ensembles receiving a 2nd Division rating were: Brass Quintet with Greg Kennedy, Larry Ellis, Joe Renfro, Jim Pierce, and Art Meyer. B-flat Clarinet Quartet with Chris Priebe, Chris Wiecezorek, Patti Wilton, and Sue Amundsen. Cornet Quartet with Greg Kennedy, Larry Ellis, Nancy Halverson, and Nancy Wolls.

Flute Quartet with Cindy Plotz, Dorothy Nevitt, Kim Karondo, and Kathy Pierce. Woodwind Quartet with Cindy Plotz, Laura Hotchkiss, Debbie Pedersen, and Debbie Renner.

The Solo and Ensemble contest was hosted by the MacArthur Junior High of Prospect Heights.

Federal Grand Jury Probes Lakes Gambling

The Lake County Crime Commission takes this opportunity to appraise its followers of a very significant situation, the impeding of a special Federal Grand Jury in Chicago. Newspaper stories indicate the purpose of the

Jury is to "investigate links between the crime syndicate and politicians in Northern Illinois, including the Waukegan area."

Other syndicate related activities involving vice, narcotics, juice loans, financial frauds, stolen stock certificates, labor racketeering, counterfeiting and income tax violations will also be investigated by the special Grand Jury.

It has been reported that fifteen Waukegan area bookies have been subpoenaed to appear before the Jury, and one Antioch man, Charles B. Smith, has been jailed for contempt of court for refusing to give a tape recorded sam-

ple of his voice. He can be held in jail for as long as the Grand Jury is in session, in this case, up to three years.

New Federal laws, contained in the Crime Control Act of 1970, grants many new weapons for the attack on organized crime. Private telephone lines can be tapped when authority is granted by a Federal Judge. Such authority is granted in much the same manner a search warrant is given when there is evidence presented that a crime is being committed. Information obtained from such taps can be considered as evidence.

Voice prints are being required of persons testifying before the Grand Jury, these prints, charted electrically, can be used to identify persons engaged in tapped telephone conversations.

Experts on organized crime have always maintained that large scale gambling operations cannot operate without at least the tacit approval of local authorities. The new Federal laws and such special Grand Juries, will hopefully prompt local officials to attack the organized crime problem. Under the Federal law, any public official, elected or employee, who conspires with others

(Continued on page two)

Public Hearing Date Set on Land Pre-Annexation Pact

A public hearing will be held at 8 p.m. March 23 on a pre-annexation agreement of 27 acres north of the new Upper Grade School of Dist. 34 and just west of Tiffany Road.

A meeting will be held an hour earlier by the Zoning Board of Appeals on a change of zoning to R-5 multiple family to permit the construction of garden size apartments.

The developers want to build 120 on the site.

About 12 acres, south of the Sequoit Creek, will be designated for single family homes, but will not be developed at the present time, it was reported.

Backers of the project are Dr. Edward Abderholden, Dr. John

Loring, Dr. Albert Bucar and Ted Larson, who with Alty.

James Lumber represents the five backers, submitted a new pre-annexation agreement Monday night. It was accepted by the trustees.

The Grade School Board requested that the village establish some kind of program that will require land developers to set aside a portion of the land for schools or give cash that will allow school districts to buy sites for new school construction as a result of school population increases.

School board officials say such an agreement is in effect in Arlington Heights and Elgin.

EDITORIAL

'Sleep On-You Have Everything To Lose'

Bill Gibbons, editor of the Gaffney (South Carolina) Ledger burned up the keys on his typewriter recently going after the so-called "silent American." Wrote he, part):

"Sleep on, silent American. Turn your ears away from the clamor of the mob in the street, the thunder of artillery shell in a Cambodian jungle, the wail of a starving child. Sleep on, silent American. If tomorrow's headlines frighten you, just don't look."

"Sleep on, silent American. Say nothing, do nothing - and the problems of this nation may vanish. Don't be intimidated by your children. Tell your toddler to go to his room and play with his toys, but not bother you. Your eight-year-old has books and games and a color TV in his room. It's not necessary for you to go into his room to hear his prayers. Let him entertain himself."

"Sleep on, silent American. Tell your teenager to go have a good time. Throw him the car keys and give him a ten dollar bill. But don't ask him where he is going. That would be a violation of his privacy and infringement on his rights. Never ask him who his heroes are. Don't require him to work and earn his own money."

"Sleep on, silent American. Do not bestir yourself to go to the polls on election day. Politics is a mess anyway. Never be seen with your hand over your heart and resist the urge to put an American Flag on your lawn. Applaud nudity in the theatre and pornography on the newsstands; this is the New Morality, haven't you heard?"

Sleep on, silent American. Go to the golf course on Sunday morning; you've worked hard all week and deserve a little time off to relax. Of course, you might drop the kids off at Sunday School and give them a quarter to drop into the collection plate. Lie back in the hammock of complacency and inhale the amnesia of indifference."

"Sleep on, silent American. You have everything to lose."

It's Chuckhole Time

We would like to call attention to the chuckhole which since has been corrected at the Rte. 83 crossing of the Soo Line Railroad.

The Antioch News has been called several times during the past week about the chuck-hole at the tracks which resulted in blowouts and damaged rims.

We recommend that the village occasionally inspect the crossing to avoid serious mishaps or damage to cars.

Chuckholes on street and highway surface result when the thawing of frozen moisture causes the pavement to break.

The holes can be dangerous and might cause damage to your car, and tires can be damaged when they hit a chuckhole. If the damage is not detected it eventually could cause a blowout.

Striking a chuckhole also can put car wheels out of alignment. In time, this can result in severe and uneven wear on tires. In fact if you encounter a deep chuckhole at high speed, you might even break an axle or lose control of your car.

It's the wise motorist who is alert for chuckholes. But if you see a chuckhole in your car's path, be sure not to swerve or stop suddenly. This could result in a collision with nearby vehicles.

Drivers are urged to be alert for chuckholes and highway crews repairing them.

MODELS FOR BRIDAL SHOW

Some of our lovely ladies of Antioch journeyed to Waukegan last week to see Angie Maras model at Heins Bridal Show. Enjoying all the beautiful creations were Delores Aberholden, Ruth Bobzien, Marge Warner and Carol Costoff. Ruth Bobzien was a vision in her new full length creation.

HAPPY ANNIVERSARY

To Bob and Elvira Hunt on their twenty-fifth wedding anniversary this week.

164 Parking Tickets Issued During February

Parking violation tickets, numbering 164, were issued last month by police, according to Trustee Richard Burnette, chairman of the police committee.

He said that 42 traffic citations were given, and four non-traffic tickets served.

Burnette reported that policemen investigated 25 auto accidents, two incidents of vandalism, an auto theft, 11 burglaries and thefts, and two juvenile cases.

Committee Named To Amend Village Building Code

Village Mayor Raymond Toft appointed a committee of three trustees to study the Plumbing and Building Code and come up with any amendments.

Building Commissioner Walter Delaney suggested that the codes should be revised and updated.

Trustees are George Bartlett, Richard O. Burnette, and Vern L. Barnstable.

Changes Seen In Nation's Draft Laws

All members of the Selective Service System in Illinois were advised today of sweeping changes to be inaugurated within the next few months.

These changes are in line with plans expressed by President Nixon and Secretary Laird to bring about a zero draft by July 1, 1973.

It is also anticipated that the cost of operation of the System will be considerably less with these improvements and that services to the public will in no way be curtailed nor impaired.

The changes being incorporated will enhance the opportunity for other improvements which will enable Selective Service to give better service at less cost and the reorganization will lead to a more efficient and economical system.

Extension adviser Ray T. Nicholas has information on sources of planting stocks for these purposes at the Lake County Cooperative Extension Service office on the Lake County Fairgrounds, Grayslake.

Three year agreements for 24-hour dispatch service with Lindenhurst and the Lake Villa Rescue Squad and the Lake Villa Police Department were mailed Tuesday at the request of the Antioch Village Board.

The agreements provide that the two villages would pay \$3,680 yearly for the service and would be entitled to use the jail for keeping prisoners.

It also allows that Antioch would charge \$5 for breathalyzer tests of motorists suspected of drinking and each village would share on a 50-50 basis any revenue for the installation of burglar and fire alarms from their communities.

Should both villages and the Lake Villa Rescue Squad agree to the contracts, the 24-hour dispatch service would start May 1, the beginning of the fiscal year.

Trustee J. Irving Walsh opposed part of the agreement, contending that the village should be protected in the event of any increases resulting from higher wages of personnel manning the dispatch office.

"This is something that should be negotiated with each village," said one trustee.

The issue passed 6 to 0.

The dispatch service will cost about \$32,000 with Antioch paying around \$22,000 or \$7,000 more than what it is costing the village to operate the service at the present time.

This also includes the cost of the Antioch Answering Service which takes answering police, fire, and rescue calls after 5 p.m. Monday through Friday and at noon on Saturday and all-day Sunday.

Lindenhurst and Lake Villa will have to pay the cost of installing telephone lines connecting with the Antioch Station.

You Can Control Wind Chill Index

You can control the wind chill index and thereby add to your well-being and comfort, Ray T. Nicholas, Lake County Extension adviser, points out.

The wind chill index indicates how much cold you feel from various wind speeds when the thermometer reads chilly, winter temperatures. For instance, with a temperature of 10 degrees above zero and a wind speed of 20 miles an hour, the wind chill index is 25 degrees below zero—this is the way the air feels at 25 below when there is no wind.

One approach to modify the chill lies in reducing winter wind speeds, Nicholas says. This is practical on farms through the skillful use of evergreen trees on the north and west sides of the farmstead or other area requiring protection. Among the evergreens, Norway spruce and Douglas fir are superior to the pines, since they have dense branching and foliage and they self-prune less readily. The pines are more open in the development and on prairie soils fail to grow tall enough for best protection.

Past efforts to reduce wind speeds have shown that a strip or belt of spruce or fir consisting of three rows has provided the best protection, considering space required for the trees. Recommended spacings include 14 feet between rows and 14 feet between trees in the row.

Nicholas recommends balled-and-burlapped planting stock, rather than the weaker, more risky bare-rooted trees. Higher survival and earlier rapid growth favor the balled-and-burlapped trees.

In addition to reducing wind speeds, carefully placed plantings will control location of snow drifts. Greater physical comfort, reduced fuel and feed costs and lessened snow problems are the rewards for controlling wind speeds and, in turn, the wind chill index.

Extension adviser Ray T. Nicholas has information on sources of planting stocks for these purposes at the Lake County Cooperative Extension Service office on the Lake County Fairgrounds, Grayslake.

3-Year Agreements Proposed For 24-Hour Dispatch Service

Three year agreements for 24-hour dispatch service with Lindenhurst and the Lake Villa Rescue Squad and the Lake Villa Police Department were mailed Tuesday at the request of the Antioch Village Board.

The agreements provide that the two villages would pay \$3,680 yearly for the service and would be entitled to use the jail for keeping prisoners.

It also allows that Antioch would charge \$5 for breathalyzer tests of motorists suspected of drinking and each village would share on a 50-50 basis any revenue for the installation of burglar and fire alarms from their communities.

Should both villages and the Lake Villa Rescue Squad agree to the contracts, the 24-hour dispatch service would start May 1, the beginning of the fiscal year.

Trustee J. Irving Walsh opposed part of the agreement, contending that the village should be protected in the event of any increases resulting from higher wages of personnel manning the dispatch office.

"This is something that should be negotiated with each village," said one trustee.

The issue passed 6 to 0.

The dispatch service will cost about \$32,000 with Antioch paying around \$22,000 or \$7,000 more than what it is costing the village to operate the service at the present time.

This also includes the cost of the Antioch Answering Service which takes answering police, fire, and rescue calls after 5 p.m. Monday through Friday and at noon on Saturday and all-day Sunday.

How To Live Like A Millionaire

How often have you heard someone say, "I don't want to be a millionaire, I just want to live like one."

If this is your ambition, the easiest way to live like a millionaire is to have a comfortable home. According to the Chicago Land Better Heating-Cooling Council, the most important part of the home with regard to comfort is its heating system. If you have a balanced heating system, properly sized, the house you live in is really a home; if not, it is either overheated or chilly, and probably both.

How do you determine if your heating system is balanced? The answer is simple, says the Council.

Are rooms which are controlled by the same thermostat uniform in temperature? If not, they are out of balance. To correct this situation, consult a heating contractor who will calculate the heat loss and determine if each room has enough heating equipment to overcome the heat loss.

Adding more heat can be relatively simple if your home is equipped with hydronic (modern hot water) baseboard panels. Your heating contractor can install additional panels to correct the problem. It won't cost too much, either. But you shouldn't care if it did. Remember, you're a millionaire.

Federal Grand...

(Continued from page one)

to "obstruct the enforcement of the criminal law of a state with the intent to facilitate an illegal gambling business", can be held liable. Public officials convicted can face up to five years in prison and be fined \$20,000.

The Lake County Crime Commission has been cooperating with Federal authorities for more than two years in gathering information about known gambling and other illegal operations in Lake County.

William J. Bauer, the U. S. Attorney for Northern Illinois, who is presenting evidence to this special Grand Jury will be the speaker at the Annual Dinner Meeting of the Lake County Crime Commission, to be held on March 24.

Good intentions never saved a penny.

It takes a commitment to save money. To your family, to the future. And maybe to your country. Good intentions just aren't enough.

That's why the Payroll Savings Plan works so well. It's a way of saying "I'm committed."

And it's almost effortless. All you do is sign up once, where you work. Then the amount you specify is automatically set aside from your check each payday and put into U.S. Savings Bonds. You have automatic saving power.

After all, it's hard to spend money you don't touch.

Oh, you'll touch it someday. For that house, or dream vacation, or for your kids' college education.

And now there's a bonus interest rate on all U. S. Savings Bonds—for E Bonds, 5½% when held to maturity of 5 years 10 months (4% the first year). That extra ½%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970 . . . with a comparable improvement for all older Bonds.

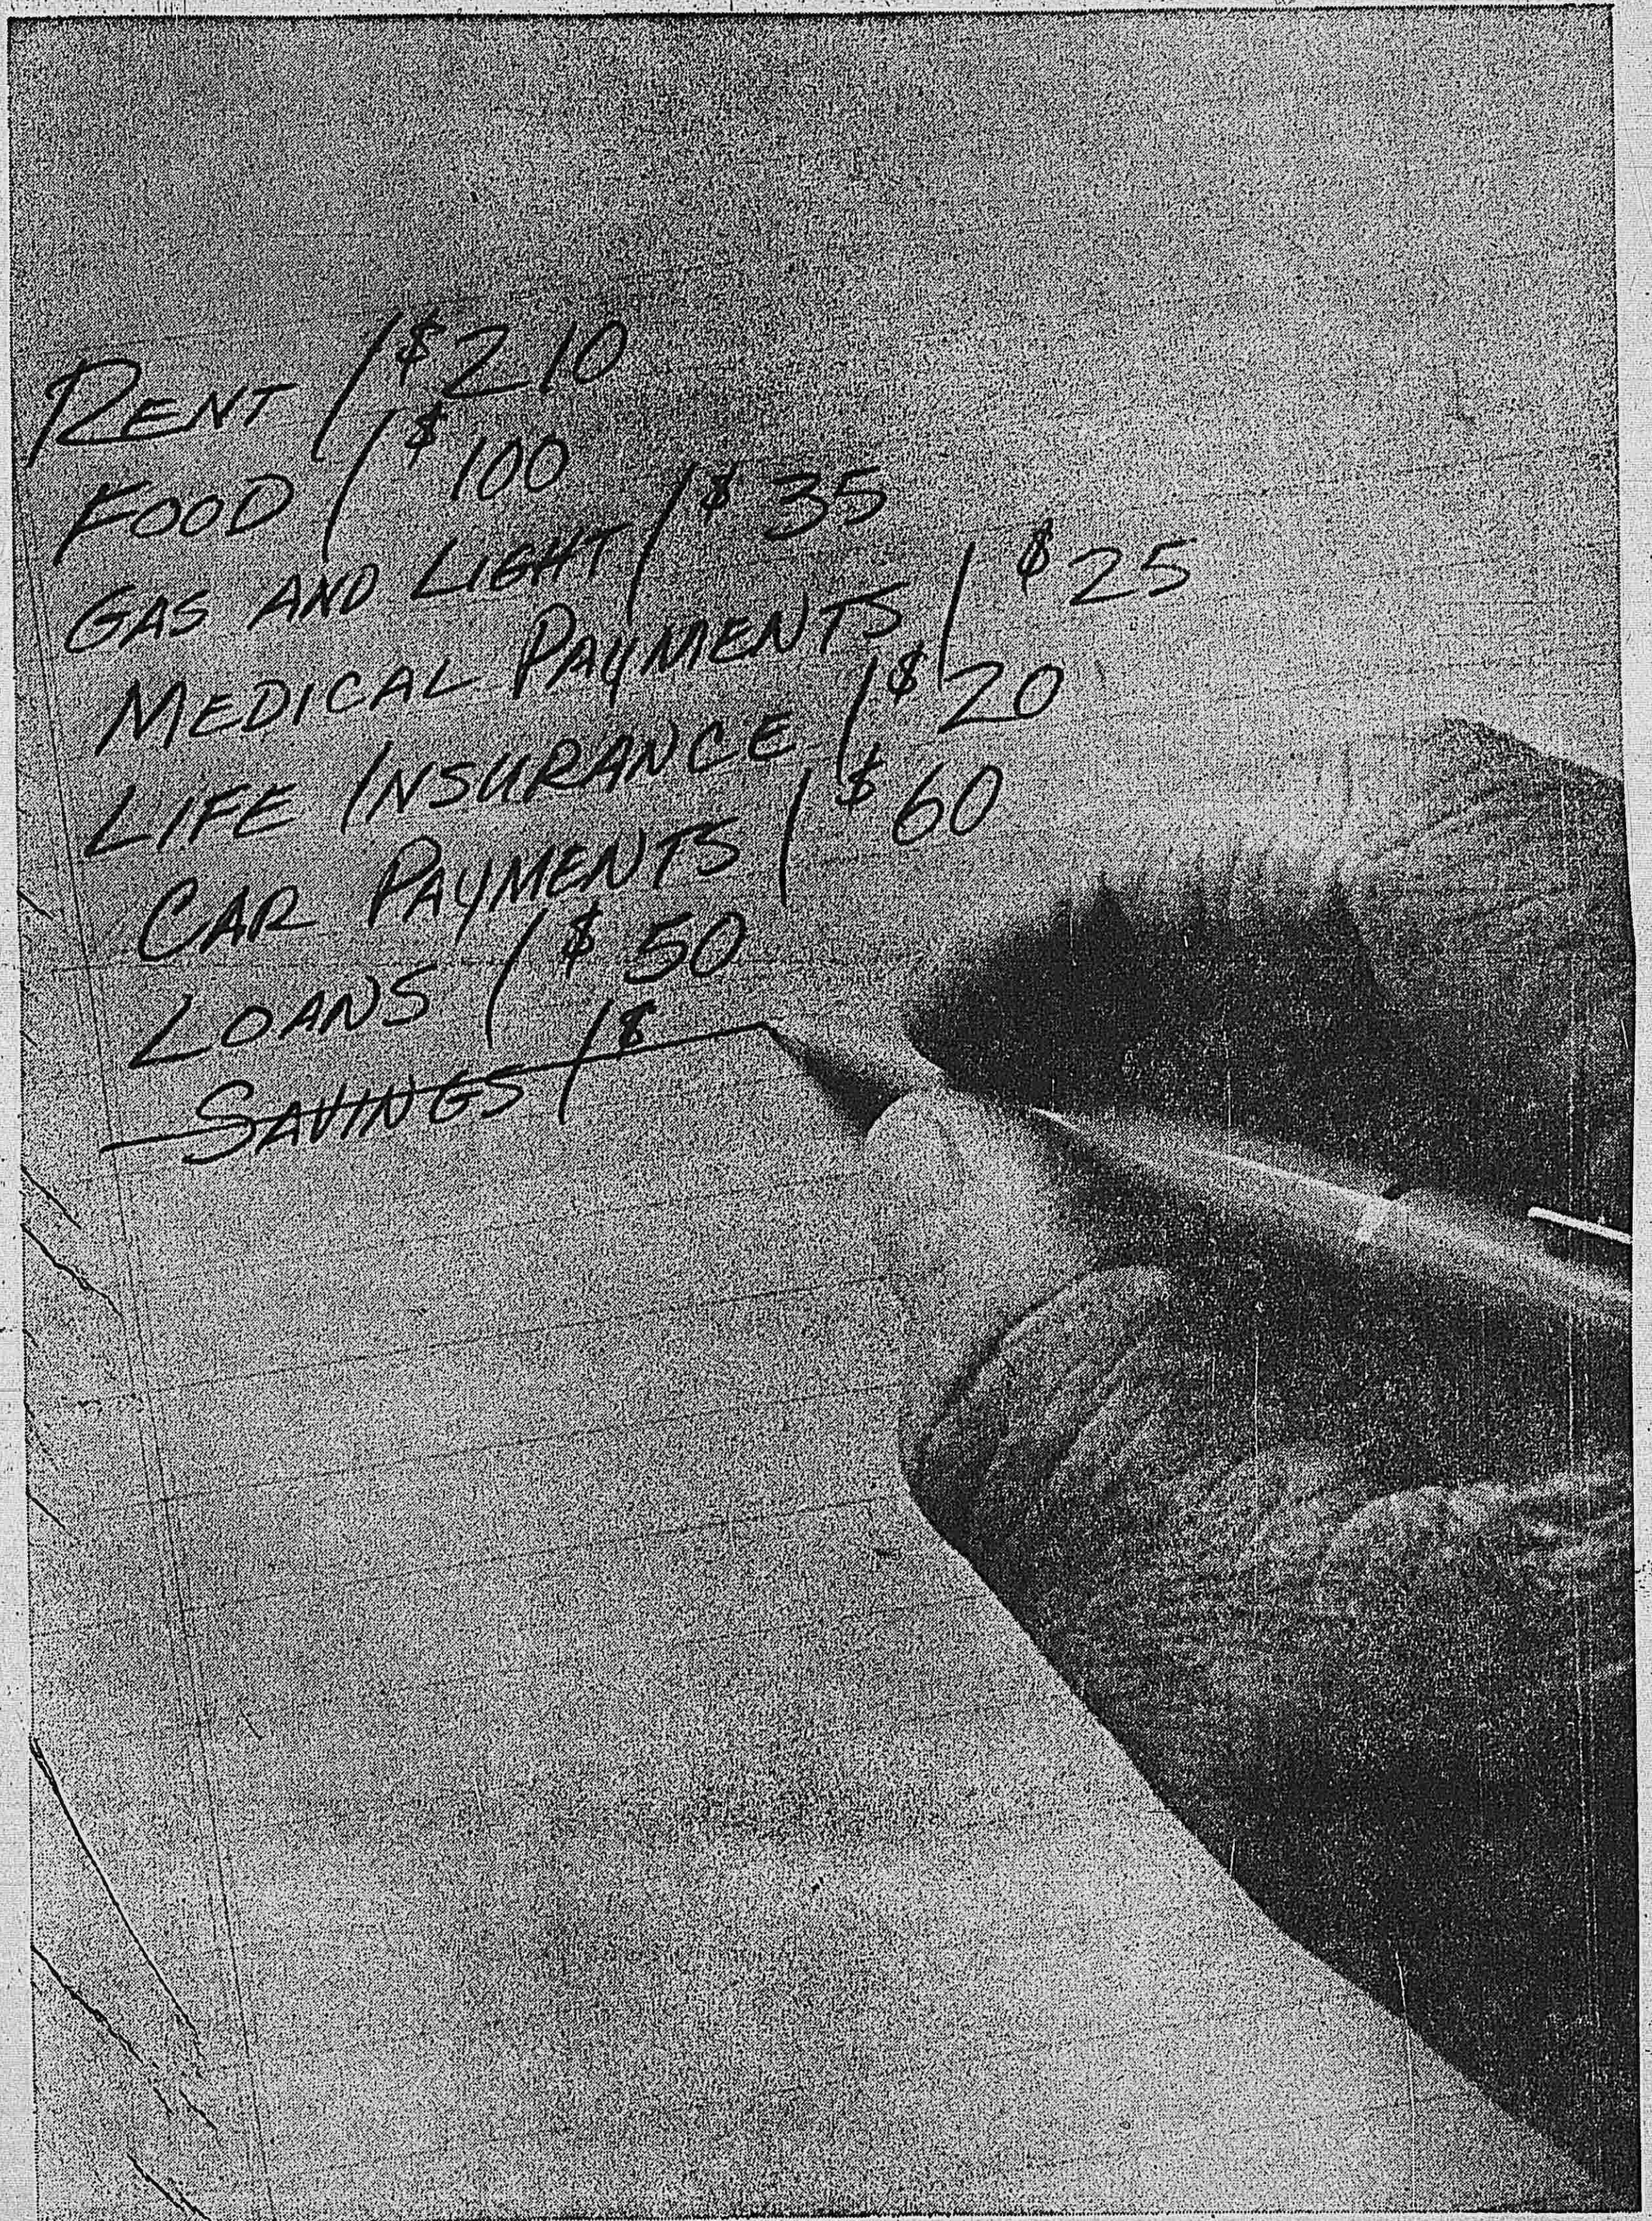

So think it over. The Payroll Savings Plan. It's a small effort, but it's a big commitment. For you and your country.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.
With higher paying U.S. Savings Bonds.

Pflueger Cited For Academic Performance

Cadet Daniel W. Pflueger, son of Mr. and Mrs. Charles J. Pflueger, Rte. 3, Salem, Wis., has been named to the Superintendent's List at the U.S. Air Force Academy.

Cadet Pflueger, a member of the class of '72, was selected for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath designating the honor accorded him by the academy superintendent.

He has also been selected for the position of a squadron first sergeant, with the rank of cadet master sergeant.

The cadet will be commissioned a second lieutenant and awarded a B. S. degree upon his graduation from the academy.

2 From Carmel On National Merit List

Mary Eloise Wolff, daughter of Mr. and Mrs. Richard J. Wolff, 2301 E. Greenbriar Lane, Lindenhurst, and Pamela Check, daughter of Mr. and Mrs. Lawrence Check, 632 Lomond Drive, Mundelein, have advanced to finalist standing in the 1970-71 National Merit Scholarship program, sharing this honor with about one-half of one percent of the graduating secondary school seniors in the nation.

Mary and Pam, along with about 14,570 other finalists, remain in the scholarship competition, and will be notified within the next few months if they have won the scholarship.

Both seniors definitely have plans for the future. Mary wants to attend Marquette University in Milwaukee, while Pam is scheduled to enter Michigan State University in the fall. The National Merit program recognizes these girls for their outstanding talents, and urges them to continue their education for the benefit of the nation.

Doctor To Discuss Abortion At Altar Society Meeting

St. Peter's Altar & Rosary Society will meet at 8 p.m. in the blue room in St. Peter's School.

The program will be on abortion.

Dr. H. J. Rohr of St. Alexis Hospital, Elk Grove, will be the speaker. His topic will be on "The Right To Live". He will show slides and give reasons.

Rosary and Benediction will be recited at 7:45 p.m. in the church. Father Alfred Henderson will officiate.

Second Lenten Services Planned

A second in a series of Lenten programs will be presented Sunday at the Millburn Congregational Church.

Mr. and Mrs. Gerd Ruetze of Zion will present a slide-sound program, "In the Footsteps of the Master" showing areas of the Holy Land where Jesus lived and ministered.

The High School Age Pilgrim Fellowship sponsors the program.

Topics for Today's Women

Thurs., March 4, 1971 THE ANTIOCH NEWS-4

American Legion Auxiliary News

By DEL JAHNEKE

Mrs. Lillian Walters of Grayslake, District Music Chairman, 10th District American Legion Auxiliary, wishes to inform the music chairmen and unit members that there will be a state music contest, to be held at the Sherman House in Chicago, during the Department Convention of the Auxiliary, from July 29th to August 1st. The exact time and place will be announced later. This year, there will also be competition for Junior groups in both the state and national competitions, as well as mixed groups composed of both Junior and Senior members.

The four categories are those of trio, quartette, sextette and chorus. There are large cash awards for first and second place winners. The national organization is again sponsoring the national music competition, during the national convention, August 30, 31, September 1, 2nd, 1971 at Houston, Tex.

A Junior chorus, the Red Jacket Choir of the Shavin Unit Juniors, North Chicago, were first place in state competition at last year's Department Junior Conference. According to Mrs. Norman Holt, North Chicago, their Director, their choir will enter both the State Junior Conference and the Department Music Contest.

Mrs. Lester Zitkus, Antioch Unit Music Chairman, is the pianist for all meetings, providing the music for the opening and closing rituals.

For a complete change of thought, Mrs. Philip Cole, Highland Park, District Legislative Chairman, asks American Legion Auxiliary members "What Have You Done Lately?" and "What Are You Doing Now?" in regard to legislative matters. She reminds the Units that they should subscribe to the National Legislative Bulletin, to keep members aware of issues pending before Congress.

"As Americans, we are worried about pollution, narcotics, crime, campus unrest, national security, etc. We are also vitally concerned with the need for adequate care and treatment of our sick and disabled veterans and their dependents. As an individual — as a Unit — as an organization — we must not let apathy and disinterest enter our ranks." Mrs. Cole continues: "If we are to aid the American Legion in achieving their legislative objectives, we must continue in our efforts to influence legislation for the benefit of our nation and its veterans. So, review the legislative bulletins, analyze the bills, alert the members, convey your opinions and be sure to thank your legislators."

Mrs. Frank Kennedy, Antioch Unit Legislative Chairman, states that the Antioch Unit has been subscribing to the national legislative bulletin for many years, and the unit legislative chairman has reported about legislative matters at the meetings.

There will be a 2nd Division Meeting on March 14th, at 2:00 p.m., at the Sycamore Memorial Home, Sycamore, Illinois. All poppy chairmen, post commanders, unit presidents, district and division officers are requested to be in attendance. State officials will be present to finalize plans for the annual selling of poppies on May 22nd and 23rd. All proceeds from poppy distribution can only be used in rehabilitation and child and youth programs.

Mrs. Norman Holt is 2nd Division Poppy Chairman; Mrs. Henry Heinsohn, Lake Zurich, 10th District Poppy Chairman; and Mrs. Ray Rathman, Antioch Unit Poppy Chairman.

The Antioch American Legion Auxiliary No. 748 will hold their

High School Registration Date Is Set

The annual 8th grade high school orientation and registration for students who will be attending Antioch Community High School in September, 1971, will be held during four sessions: two sessions each night on Monday and Thursday, March 8 and 11.

Sessions will begin at 6:30 p.m. and 8:30 p.m. on each of those nights.

Letters are being sent to all families indicating time they are to come.

Test results will be interpreted and placement procedures delineated by counselors.

In addition, medical requirements will be explained by the school nurse, athletic programs outlined by coaches, and fine arts offerings including summer camps described by the fine arts personnel.

Student Council Will Sponsor Talent Show

The Antioch Community High School Student Council will sponsor a talent show April 24. It will be open for all the people in the community to participate. Proceeds will go to the PTA scholarship fund.

Time and date of tryouts will be announced at a later date.

NIU Summer Class Schedule Announced

The schedule of Summer Session classes has been announced by the Director of the Summer Session at Northern Illinois University, Dr. Damon D. Reach.

Northern will be offering over 1,300 basic courses at the undergraduate and graduate level.

There has been an increase in morning classes so summer school students may have more afternoons to study or relax, and 11-week, 8-week, and 3-week sessions are available to students.

For further information and a complete schedule of classes, persons should write to Reach in care of the Summer Session Office, Northern Illinois University, DeKalb, Illinois 60115.

regular meeting on Monday, March 8th, at 8:00 p.m., at the Antioch American Legion Home. Mrs. John W. Horan, President, will conduct the session.

Plans and preparations must be made for four coming events: The Antioch Unit will be one of the hostesses at the New Citizen's Reception at the Homer Dahlinger American Legion Home in Waukegan, on March 30th, at 8:00 p.m., according to Mrs. John L. Horan, Americanism Chairman. The Department Patriotic Conference will be held at the Sherman House in Chicago, on March 31st., and is a day long session. President Mrs. J. W. Horan; Americanism Chairman, Mrs. J. L. Horan; Civil Defense Chairman; Mrs. Walter Hills; and the National Security Chairman, Mrs. Sam Pettigrew, are the representatives. The Conference stresses the Americanism, civil defense and national security programs of the American Legion Auxiliary.

The winning contestants of the Americanism essay contest will be the guests at the April 12th meeting of the Antioch Unit. On April 14th, the Antioch American Legion Auxiliary No. 748 will host the 10th District Auxiliary meeting, at the Antioch American Legion Home.

Mrs. Bernard Stadick is the hostess chairman, with Mrs. Frank Kennedy and Mrs. Scott Birdsell as committee members.

NIU Graduation Exercises June 5

Northern Illinois University Commencement ceremonies Saturday, June 5, will feature the president of Northern as the speaker.

Dr. Rhoten A. Smith came to NIU at the same time many of the graduating students came as freshmen in 1969.

Smith will finish his duties this August to become provost of the University of Pittsburgh.

Commencement ceremonies at the DeKalb school will be held at 7:30 p.m. in the NIU Stadium. In case of rain, commencement will be split into two ceremonies, one at 7:30 and one at 9, in the NIU Fieldhouse Saturday evening.

Where You Can Get Validation Okay For Travel

Antioch residents anticipating foreign travel and needing official validation of smallpox vaccination certificates may have this done at the City of Highland Park, City of Lake Forest, Lake County Health Department, Waukegan, and the Lake County Health Department, Libertyville.

Workshop Planned On Sewing With Polyesters

The County Extension Service is sponsoring a workshop designed to help the home seamstress with sewing polyester fabrics. Miss Linda Schulte, educational representative for Unique Zipper Company, will be the guest speaker. This special program is scheduled for Wednesday, March 10, from 1-3 p.m. at the Extension Auditorium, Rtes. 45 and 120.

Miss Schulte will answer the often asked questions about polyester—what style of pattern, what kind of thread, what type of needle to use, and whether to underline. She will demonstrate sewing techniques and construction hints, including how to install the Unique Invisible Zipper. Following the one hour workshop, everyone will have the opportunity to ask questions about sewing.

Each woman attending the program will be given a booklet on Unique Invisible Zippers and a special booklet on sewing with polyesters. There is no charge and the program is open to all interested women.

Miss Linda Schulte is an Educational Representative in the midwestern United States for Unique Zipper Company. She received her Bachelor of Science degree from Iowa State University in Ames in textiles, clothing and merchandising. She joined Unique with experience in retailing. A specialist in clothing techniques and fashion trends, Miss Schulte likes to sew and makes her entire wardrobe.

Traveling from her home in Chicago to cities and towns throughout her area, Miss Schulte speaks to women who sew. In fabric and department stores, she demonstrates everything one needs to know about installing the Unique Invisible Zipper in all kinds of fabric. At home economics teacher meetings, she serves as a resource person giving consumer information on Unique products and ideas for visual aids. She is often requested to be guest speaker at county extension meetings, conducting sewing workshops. Giving programs to adult education, college and high school clothing classes is another facet of her career.

Cadet Tremonte On Superintendent's List At AF Academy

Cadet Michael F. Tremonte, son of Mr. and Mrs. Peter A. Tremonte of Rte. 1, Salem, Wis., has been named to the Superintendent's List at the U.S. Air Force Academy.

Cadet Tremonte, a member of the class of '73, was selected for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath designating the honor accorded him by the academy superintendent.

The cadet will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

Cadet Tremonte is a 1968 graduate of Central High School, Paducah, Ky., where he lettered in basketball and cross country. He attended Carthage College, Kenosha, Wis., prior to entering the academy.

Gary Richter and Shirley Jensen, both of Antioch, have roles in the "Barefoot in the Park" which will be presented Friday and Saturday in the PM&L Theatre on Main Street, Antioch. Curtain time is 8:30 p.m.

Seitz Gets Degree From Marquette U.

Joseph C. Seitz of 497 Nabor Ave., Antioch, has been awarded a bachelor science degree in civil engineering following completion of the first semester at Marquette University, Milwaukee.

Mrs. Graham (Cermak) Dies In River Forest

Mrs. Lillian Cermak Graham, daughter of the late Mayor Anton Cermak of Chicago, died Feb. 19 in her River Forest home.

Mrs. Graham was well-known in the Antioch area, having owned a summer home here since 1927.

Her husband, Richey W., was president pro tempore of the Illinois Senate in the administration of Gov. Henry Horner.

Also surviving are two sons, Richey W., Jr., and Robert J., a former state senator; a daughter, Mrs. Vivian G. Hope; two sisters, Mrs. Helena Kerner, wife of United States Appeals Court Judge Otto Kerner, a former Illinois governor, and Mrs. Ella Jirka; five grandchildren and a great-grandchild.

CHRISTIAN SCIENCE CHURCHES

Man's true nature will be explored at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon on "Man" include this verse from the first chapter of Genesis: "God created man in his own image, in the image of God created he him; male and female created he them."

A citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"Jesus taught but one God, one Spirit, who makes man in the image and likeness of Himself, — of Spirit, not of matter. Man reflects infinite Truth, Life, and Love. The nature of man, thus understood, includes all that is implied by the terms 'image' and 'likeness' as used in Scripture."

An invitation is extended to all by First Church of Christ, Scientist to attend services at BEACON HILL, Rte. 173 and Harden, Antioch, beginning at 11 a.m.

To Place Society or News Items Call

Church Women To See Film On Narcotics

The St. Stephen's Lutheran Church Women will meet Tuesday, March 9 at 8 p.m. at the church.

After the business meeting a film entitled "The Youth Drug Scene" will be shown. The film, which approaches the drug problem from a Christian perspective, will take advantage of this opportunity to share their views about this complex contemporary problem.

Hostesses for the evening will be Mrs. Clifford Laursen, Mrs. Karl Nystrom, Mrs. LaVerne Woods and Mrs. Ronald Rau.

Bake Sale Will Help High School Scholarship Fund

On March 13th will be the High School PTA bake sale at the First National Bank from 9 a.m. to 3 p.m.

Barbara Mitchell, chairman of the activity, reports that the parents being contacted to donate bakery items are very enthusiastic and promise a variety of pastries.

Old and new recipes will be used. Large and small items will be on display; flavors that will suit everyone's taste.

The proceeds from this money making activity will go into the scholarship fund for someone to further their education.

Two CLC Students Picked For Educational Career Goals

Mrs. Adlue Zussman of Zion and John Mills of Mundelein are the winners of the second Student Achievement Recognition Competition at the College of Lake County.

Mrs. Zussman is a sophomore majoring in government and Mills is a sophomore majoring in Dramatic Arts.

They were selected over five other entrants as being the two who best demonstrate progress toward desirable educational and career goals. The two each will receive \$100 in cash and a certificate of merit in ceremonies at the College.

Their names will be added to the plaque displayed at the College. Already on the plaque are the names of last year's winners: Karen Schreiber of Antioch and Jerry Angeloff of Grayslake.

Mrs. Zussman and Mr. Mills will represent the College of Lake County in the suburban district competition of the awards program in March, where twelve schools throughout the area will be represented. Winners there will receive \$250 each and the twelve state finalists—a man and woman from each of the six districts—will compete in Chicago April 28 for the top two state prizes of \$1,000 each plus a trophy.

phy. All 46 public junior colleges in Illinois are participating.

The Illinois Association of Community and Junior Colleges and Continental Bank, Chicago, are co-sponsoring the competition. The program's purpose is to focus more public attention on junior colleges and students and to encourage excellence and school spirit.

Gas Company Keeps Pace With Growth

North Shore Gas Company, which serves the heavily populated eastern two-thirds of Lake County, notes that its growth has more than kept pace with the county's substantial increase in population and business activity during the last 10 years.

According to the latest census figures, Lake County's population rose 30.3 per cent from 1961 through 1970, and a recent survey showed that total retail sales in Lake County increased 94 per cent.

During the same period, North Shore Gas Company's daily gas send-out capacity has risen 180 per cent, according to Edwin M. Taber, president of the company.

"This means that on the average North Shore has been able to deliver nearly 11 per cent more gas each year on a daily send-out basis since 1961, and gas sales by volume have increased by about 9 per cent each year," Taber said.

"We have been able to keep pace with the rapidly expanding growth of Lake County because we have invested more than \$37 million for construction of facilities from 1961 through 1970. Last year, North Shore spent \$4,670,000 for gas mains, service lines and other facilities to deliver gas to customers—64 per cent more than was spent in 1961. And during the current fiscal year, 1971, we are budgeted to spend \$7.6 million in order to further improve our service," he said.

The utility's gas sales revenues during the recent decade have increased by about 10 per cent each year, and net income has risen 6.3 per cent during the period.

North Shore Gas, which has 300 employees and is headquartered in Waukegan, serves about 80,000 residential, commercial and industrial customers in 46 communities. The company's service area extends from Winnetka in Cook County north to the Illinois-Wisconsin line, and west to Grayslake in Lake County.

The company announced last week that gas service would be provided to 1500 more applicants in the area who have been on waiting lists for such service. This was the second release of gas by North Shore since last summer, when new attachments were placed under control, and means that the company has now made gas available to more than 50 per cent of the names on its waiting lists.

Vet Benefits Exempt From Taxation

Veterans benefits are generally exempt from taxation and need not be reported as income on income tax returns, John B. Naser, director of the Veterans Administration Regional Office in Chicago, said today.

Naser said the only reportable item is interest earned on GI insurance dividends left on deposit or credit with the VA since this is considered earned income and not a veterans' benefit.

GI insurance dividends themselves are not taxable, Naser pointed out. No proceeds from insurance policies are taxable, including GI insurance.

Other major tax exempt benefits are compensation and pension, GI Bill and other educational assistance, subsistence payments to vocational rehabilitation trainees, and grants for homes or autos to severely disabled veterans, Naser said.

Here's Chance To Test Knowledge About Wills

A random survey by the Illinois State Bar Association of 540 inquiries received from you readers revealed that nearly one in five raised some question about wills or probating an estate.

The most common question, ISBA reports, is who gets what if so-and-so dies, although this may be worded "Can my sister claim the diamond ring even though I took care of old Aunt Minnie for 20 years?"

To test your knowledge about the distribution of property after death, ISBA offers this quiz of 10 commonly asked questions. The correct answers are printed at the end of the column:

1. If a husband dies without a will, leaving a wife and an only child, the child will inherit more than the mother. True or false?
2. A father may disinherit a son in his will. True or false?
3. If a man who has two brothers but no children or grandchildren dies without a will, his wife receives the entire estate. True or false?
4. Divorce revokes a will as it pertains to the ex-spouse. True or false?
5. A 10-year-old child can make a valid will. True or false?
6. A dying man dictates his will but dies before he can sign it. The will is still valid. True or false?
7. Once a will is signed by the maker and properly witnessed, it cannot be changed. True or false?
8. You can reduce court costs by not having a will. True or false?
9. An adopted child has the same inheritance rights under the law as a natural child. True or false?
10. A person may name anyone as executor of his will. True or false?

For additional information,

write to the Illinois State Bar Association, Illinois Bar Center, Springfield 62701 and request the free pamphlet on "Wills." Enclose a self-addressed, stamped, business-size envelope.

Answers to quiz:

1. True. The wife would receive one-third of the estate, the child two-thirds.
2. True.
3. True.
4. True.
5. False. The maker of a will must be at least 18 years of age and of sound mind and memory.
6. False. A will must be in writing, signed by the maker and

witnessed by two or more competent persons.

7. False. In fact, it is advisable to review a will periodically, but changes in the will must be in accordance with the law.

8. False. A properly drafted will may reduce the cost and time of probating an estate. And consider the confusion caused by Aunt Minnie's diamond ring.

9. True.

10. True. The court generally will approve as executor any competent adult named in the will, including corporations qualified under Illinois law.

TAKE A WALK

According to the Finest Record, published by First National Stores, Inc., "Walking, a fine over-all body conditioner, brings nearly every muscle into use and helps to maintain better posture and a trimmer figure. Walking is also an excellent way to relieve nervous tension. A long walk can be the perfect time for meditating, planning, or enjoying your surroundings. Undertake walking gradually, starting with short walks before attempting long hikes.

Check with your physician for advice on an exercise program suited to your age and physical condition. Learning to walk properly may sound like child's play, but there are rules to follow. Hold

your head squarely above the shoulders, your abdomen flat, and your back straight. Keep toes pointed straight ahead and take long, easy strides. Protect your feet with shoes that give good support, fit properly, and allow ample room for socks or stockings."

Remember this when you run out of gas 3 miles from the nearest filling station.

How to complain about your phone service. Call me.

You may think it's silly of me to invite your complaints, but that's what I'm here for. I'm a Service Representative for Illinois Bell. And taking care of your phone problems is part of my job.

To speed things up, I keep a complete file of your phone service records within easy reach of my desk. But there's still no way for me to know you're having a problem, unless you call.

Just in case yours is a really tough problem, there are a lot of good people behind me to help out.

Like my supervisor and the business office manager who've had years of experience in helping customers with unusual service problems.

And, of course, all the guys who install and repair phones.

We're all pitching in to help. The way we figure it, the telephone company is only as good as the service we give you. And that includes taking care of complaints.

If you ever have a complaint about your telephone bill, an installation problem, or a service question... call me, your Service Representative. For repairs, call our Repair Service.

You'll find my number listed on your phone bill or in the front of your telephone directory.

For Repair Service, dial 611 in Chicago and most suburbs.

Elsewhere, look in the front of your directory.

We want to help.

We're a lot more than just talk.

Emmons Gains Tie For Title

The Emmons Raiders returned home against the Millburn Mustangs on Feb. 25. The Raiders coached by Mike Mitchell, downed the Mustangs to wrap up a tie in both the "A" and "B" divisions of the Big Six Conference.

The B game was easily won by Emmons. Bill Dubek was high point man with 7, while Tracy Sodman added 6. Four players had 4 points for Emmons; John Eder, John Kakacek, Scott Maras, and Chris Hall. Maras guided the Emmons attack with some excellent passing. Chuck Herman led Millburn with 6 points. The final score had Emmons on top 30-11.

In the A game Emmons out-

Rifles Will Play Bears In Benefil

The Lake County Rifles and Chicago Bears will hang up their football togs and don basketball uniforms as they meet in a benefit game Sunday evening.

The Rifles will host the Bears at Mundelein High School gym March 7, at 7:30 p.m., all proceeds will be used to establish a memorial scholarship fund in memory of Fred Custard. The former University of Illinois grid star also played with both the Bears and the Rifles.

Some of the Bears to play in Sunday's contest are: Jack Conannon, Wayne Maas, Ralph Kurk, Rich Coach and Bob Hyland. Dick Butkus is recuperating from an operation. If he is sufficiently recovered he intends to make every effort to attend and serve as the Bears coach.

Rifle players under the direction of Coaches Gene Cichowski and Don Rowden will be: Dick Wolf, Vern Pottinger, John Gurnik, Chuck Burgoon, Ron Jurewicz, Fred McGlothlin and Lee Wahlgren. The Rifles also have imported a ringer, WIND's Bill Berg.

Dick Biondi of WCFL has agreed to act as scorekeeper while NFL official Bill Swanson and former Notre Dame star Angelo Dabiero will officiate the game.

Halftime entertainment and a fun night for a good cause will be in store for all fans.

Antioch Sophomores Finish Second in Conference

The Antioch Sophomore basketball team finished the season with six straight wins to cap a successful season. The team finished second in the conference with a record of 11 wins and 3 losses. Warren won the title with a 12-2 record. Overall the team record was 11-13.

The 10 losses in non-conference games were to very strong teams such as Elgin Larkin, Barrington, North Chicago, and Kenosha Tremper. Coach Norm Hahn pointed out the value of such a schedule. "Of course we would like to win every game but it is

to our benefit to play the tougher teams. You can't learn much when you stomp some weak sister but you can learn when you have to play your best. I feel the non-conference games taught the guys what will work and what won't. If you make a mistake against a good team, they'll take advantage of it. But you can play sloppy and get away with it when you play a weak team.

The sophomore team displayed a great deal of hustle and team play this year. When they began to use their full court pressure defense, the team began to win

consistently. In order to play such a defense all the players must hustle and move. They did just that the last third of the season. The team play is evident with the total of 223 assists, an average of over 9 per game. Also only one player, Charlie Chapman, averaged over 11 points per game, indicating rather balanced scoring.

Other season statistics include Team scoring average 43.1 Opponents' scoring average 46.0 Conference team scoring average 48.7 Conference opp. average 41.8 Team shooting percentage .394 Team free throw percent. .554

The individual team leaders were:

Total points—Charlie Chapman 251 Fred Popp 244

Per game average—Charlie Chapman 11.8 Fred Popp 10.2 Mark Andrews 9.5

Most Assists—Fred Popp 57

Most Rebounds—Glen Amundsen 175

Best field goal percentage—Mark Andrews 52%

Best free throw percentage—Mark Andrews 74%

The team honors voted by the team were:

Most valuable player—Fred Popp

Most improved player—Bill Toman

Team captain—Glen Amundsen

Other team members besides those mentioned above were Bill Francke, Mark Good, Mike Harvey, Dave Krieger, Mark Maras, Shayne Schroeder, Gordy Sillanoff, Steve Vozquez, and Bill Wozniak. The team manager was Kent Barlow.

THE ANTIOCH NEWS-6

Antioch Cagers Capture District

By the Sixth Man

The Wauconda High School gym was filled to capacity this weekend to see Antioch sweep its way to a District championship 69 to 47 over Grant.

It was a big game for us, mainly because we wanted to prove ourselves the best team in the conference. I can't help but think this has been accomplished by a 22 point trouncing of Grant.

After the championship game a traditional fully clothed shower was applied to both coaches, Allen and Andrews.

However, we didn't stop at that, as Keith Ryan, a WKRS sportscaster was sent to the showers for his prediction of the outcome of the championship game.

The Sequoits entered the championship game by downing Wauconda 79 to 44 and Grayslake 84

to 68. Our team averaged 25 points over their opponents in the district games.

I think most of the games were won on our fast break offense and our exceptional defense.

One name stands out when defense is mentioned, Tom Martin. Tom again was assigned the big guns on the opposing team and he did the job as he held Wilkins, Kazimour and Olsen.

Although Tom is our finest defender, we do play a team defense that is backed up by Bentel and Michalak. Both did a fine job defensively on Stickles and Pinkowski.

Every player on our team has contributed to the Sequoits' cause, but who could give more than Tim Meure? I feel Tim is the finest guard in the conference and one of the best sophomore prospects in the Chicago area.

As Martin represents our defense, Keith Bolton, the second leading scorer in the county, both lifetime and present, is our meaning of offense. I consider Keith to have one of the finest shots in the state for a man his size.

I think it would be to Keith's advantage if he would drive more often, other than that he is an outstanding performer. Keith had a three game total of 72 points with a high game of 36.

Now Antioch stands alone with a 23 and 5 record and will vie for a regional title. The chances are excellent as Antioch was picked for the title by two of the five staff reporters of the Waukegan paper.

Check Thickness of Ice Before Skating

It's still cold enough in most northern states for ice covered lakes, rivers, and ponds to provide inviting areas on which outdoor enthusiasts can skate, sled, and snowmobile. However, the Lake County Safety Commission warns ice-goers to be sure of the surface they are about to venture out on, especially with the oncoming of spring's increasingly warming weather, when ice conditions will become more dangerous as seemingly thick ice begins to melt.

Check the thickness of ice with an ice auger or pick, or contact local authorities. The latter source is preferred, since authorities can also inform inquirers

about conditions of the water beneath the ice (i.e., water currents), which can undermine solid-looking ice and cause unexpected breakthroughs.

The thickness of the ice needed for skating, sledding, and snowmobiling must be increased by several additional inches before a snowmobile dare travel on the ice.

If you do break through the ice, your body weight may only break off more ice when you attempt to get out of the water. Try to spread your arms over the ice, either in front of or behind you, and kick your legs, gradually working your way onto the ice. Once out, squirm or roll away from the hole.

Executive Director Jerry Klebe suggests when rescuing another person, resist the temptation to run out to him. Rather, distribute body weight over the ice by lying down and crawling out to the breakthrough victim, extending a pole, plank, ladder, or similar object toward him. A rope loop can also be used to pull the victim from the water after he places the loop over his head and under him arm pits. Or several people can lie in single file on the ice, holding ankles or skates of the person in front, thus forming a human chain. Whatever means are used to rescue the victim, once he's pulled out, rescuers should gradually work their way away from the break, continuing to distribute body weight over the ice.

Secretary Of State Creates New Division

Secretary of State John W. Lewis announced today the creation of a new Division of Investigation for the Office of the Secretary of State to be headed by a staff of veteran law enforcement officers and investigators. Secretary Lewis said the new division will handle security operations as well as to make certain that motor vehicle laws relating to titles, registration, dealers, driver licensing and safety responsibility are fairly and properly enforced, including the collection of fees.

Lewis named John S. Stuper, 60, of Springfield, a major and 29-year veteran of the Illinois State Police, superintendent of the division.

Joe Wheeler, 61, of Chicago, a former FBI agent and veteran Chicago investigator, has become assistant to the superintendent and will coordinate planning, internal investigations, training and other projects.

Secretary Lewis also named two assistant superintendents. Robert Kutz, 31, of Chicago, will head Cook County operations. Kutz has been a captain in the Cook County sheriff's office for the past four years, heading in-

ternal investigations. He also was commander of the riot control unit. Lyle Wheeler, 43, of LaMoine, will be in charge downstate. Wheeler has been with the investigating unit of the Secretary of State for the past seven years. From 1965 until he was appointed acting chief of investigations by Secretary Lewis, Wheeler had served as assistant chief.

"These four men bring a wide range of experience in law enforcement to the Office of the Secretary of State," Lewis said. "It is obvious that under their direction the people of the State of Illinois will be served correctly with courtesy, fairness, and efficiency."

"Coupled with these appointments is a far reaching plan to upgrade our entire investigative procedures, not only within the office but also involving matters dealing directly with the public. For the first time, minimum and maximum standards have been set for field investigators and each is required to undergo an interview before hiring. Special training programs also have been instituted and future plans call for all men to undergo training similar to that required by

state troopers. "The fact that Major Stuper was granted a leave of absence from his important position with the Illinois State Police is an indication of the interest of Herb Brown, director of the Department of Law Enforcement, in a strong investigative division for this office. We anticipate a close working relationship with Director Brown in that our force of nearly 200 trained men can aid the state police if the need arises."

Prior to creation of the Division of Investigation this unit was under direction of the Motor Vehicle Division of the Secretary of State's office.

Stuper, a native of Sangamon County, was appointed to the Illinois State Police on July 15, 1941. He is a graduate of the FBI National Academy and also attended the Police Administration School and the Police Management School of Northwestern University's Traffic Institute.

Stuper was promoted to major in October 1958 and has been serving as area commander in charge of field operations of Districts 1-7 with 750 men under his direction.

FUNERAL NOTICES

CLARENCE M. MAKI
Clarence M. Maki, 52 years old of Silver Lake, Wis., passed away Wednesday, Feb. 24, in his automobile at the corner of Wadsworth Road and Hwy. No. 41 near Wadsworth, Ill., from a heart attack. He was born July 10, 1918 in Brantwood, Wis., and had moved to Chicago in 1928, then to Silver Lake, Wis., in 1960. He was a member of the Spring Grove, Ill., Congregation of Jehovah's Witnesses, and the United Telegraph Workers Local No. 1 in Chicago. He worked as an assistant building engineer for Western Union in Chicago.

He married Louise Lang on Dec. 24, 1947 in Chicago. He is survived by his wife, Louise; two daughters, Mrs. Linda (Wesley) Wright, Zion, Ill., and Miss Diane Maki, at home; one son, Dennis Maki, at home; his mother, Mrs. Anna Maki, Silver Lake, Wis., and one grandson.

He was preceded in death by two brothers and a sister. Funeral services were held at 2:30 p.m. Friday, Feb. 26th, at the Strang Funeral Home in Antioch. Brother David Mitchell of the Jehovah's Witnesses officiated. Interment was in Wilmot Cemetery.

WILLIAM KOBELT
William Kobelt, 49 years old of Petite Lake, Antioch, passed away Sunday, Feb. 28, at his home. He was born Oct. 2, 1930 in Chicago and lived there until moving to Antioch in 1953. He was preceded in death by his father Alfred R. Kobelt, on May 28, 1967.

Survivors are his mother, Mrs. Agnes Kobelt of Petite Lake, and one sister, Mrs. Joseph (Lorraine) Neumann, Chicago. Funeral services were held at 11 a.m. Wednesday, March 3, at the Strang Funeral Home, Antioch. The Rev. Philip Laurin of St. Stephen Lutheran Church, Antioch, officiated. Friends desiring may make contributions to the Antioch Rescue Squad.

EARLE C. LOOMIS
Earle C. Loomis of Venn Road near Antioch, passed away at 5:15 a.m. on Friday, Feb. 26, at St. Therese Hospital. He was born in Superior, Wis., and moved to Chicago, then Oak Park, before moving to Antioch 15 years ago. He was a member of Sequit Masonic Lodge, No. 827 A. F. & A.M., Antioch; Wiley M. Egan Chapter No. 126 of Royal Arch Masons; Grand Commandery of Knights Templar, both of Chicago, 885 Club of Masons; Antioch Chapter No. 428 of Eastern Star; Northern Illinois Conservation Club, and Antioch Township Republican Club.

He had retired as Superintendent of Building Construction for McDonald Hamburg Company and has since been employed as a machine operator for Froese Snow in Antioch.

He is survived by his wife Marie (nee Byron); one daughter, Mrs. Dorothy Ann (Clarence) Atkinson, St. Petersburg, Fla.; two brothers, Stanley Loomis, Oak Park, Ill., and Russell Loomis, Orlando, Fla.; two grandsons, Robert and William Steff and three great-grandchildren, Bruce, Brad and Gina Steff.

Funeral services were held at 1 p.m. Monday, March 1, at the Strang Funeral Home in Antioch. Rev. Donald Cobb of Antioch Methodist Church officiated. Interment was in Oak Ridge Cemetery in Hillside, Ill. Sequit Masonic Lodge officiated at a service Sunday at 8 p.m. Memorials may be given in memory of Mr. Loomis.

memory of Harriett Hansen, Mr. and Mrs. Myrus Nelson, in memory of Calra Westlake. Antoinette Fields, Mr. and Mrs. Floyd Lubeno, Mr. and Mrs. Joe Stierbenz in memory of Thomas Griffin. Mr. and Mrs. Lloyd Murrie and Mr. and Mrs. Bill Slater in memory of Florence Richter.

BIDS SOUGHT
Secretary of State John W. Lewis announced today that bids are being sought for manufacture of 1972 auto license plates and truck plates for the 1972-1973 fiscal year. Secretary Lewis said bids will be opened at 10:30 a.m. Friday, March 12, in the Purchasing Division of the Secretary of State's office.
